

“We’re up to 100 new opportunities and an 80% pipeline increase over the last four months –and that includes ramp and onboard time-valued at \$8M in pipeline.”

-Sid Reeves, Micro Focus Vertica

We Help The World’s Top B2B Companies Thrive

Put our 25 years of sales and marketing expertise to work for you

Televerde is a sales and marketing extension of some of the world’s largest companies. For 25 years, we’ve been honing the art of combining marketing technology with the human touch - to help our clients increase revenue, accelerate sales, and drive demand.

Our programs have delivered over \$10B in closed won revenue. We work with companies like SAP, Marketo, and Pulse Secure to deliver sustainable revenue with substantial ROI. Ready to develop a winning demand generation strategy for your organization?

Build campaigns that convert

Televerde’s Marketing Services will give you a better understanding of who you’re targeting and why. With a good grasp of your target market and personas, we’ll help you build campaigns that generate awareness and lead to increased demand.

Find solutions for every part of your funnel

We’ll work together to assess your strategy, identify any gaps or areas for improvement, and make a plan to reach your revenue goals this year.

“Televerde helped us create a strategic sales and marketing plan, and their lead quality exceeded my expectations. I hear from Inside Sales that the leads are much stronger and more qualified. I attribute this to the unbelievable energy of the Televerde reps.”

-Mark Craven, VP Sales, Pulse Secure

Our clients love us because of the results we deliver

As an end-to-end sales and marketing partner, we find opportunities for our clients to solve challenges for their customers - all while changing lives and providing opportunities for disempowered communities.

We deliver results with a social impact

Now, more than ever, people are looking to align with brands that reflect their values and lead with purpose. Education, skills training, and employment opportunities are critical to reduce the generational cycle of poverty and incarceration. Together with our clients, we have proven the societal impact of a business model built on second chances.
